TO: All Youth Organization Field Applicants
FROM: Rich Ehnou, Dir. of Recreation
SUBJECT: Field Use Application

Enclosed is your 2022 application for use of municipal fields in Marple Newtown. Please follow all policies and directions; answer all questions and sign where indicated. If you have any questions, call the recreation office at 610-353-2326.

Be advised that the demand for use of fields is greater than ever and far exceeds availability. This situation will necessitate the sharing of all fields. Therefore, we ask for your cooperation by requesting only the actual fields and times needed by your team / league. Discovery of unused fields will result in your permit being revoked and issued to another group.

PLEASE NOTE:

The Marple Newtown Joint Recreation Commission reserves the right to pre-empt all field and facility users for Township Events, Marple Newtown School District Events, and activities of the Recreation Department.

First priority for Field Use will be given to Marple Township and/or Newtown Township residents.

Groups interested in applying for School Fields should contact the Marple Newtown School District Operations Department (610-359-4270).

POLICIES AND DIRECTIONS FOR YOUTH ORGANIZATIONS

USE OF FIELDS AND FACILITIES APPLICATION

1. Complete the "Use Application" (BOTH SIDES). Incomplete applications will be returned, thus delaying the process and issuance of your permit.
2. Complete the "Hold Harmless Agreement" (signed and dated).
3. Include a "Certificate of Insurance" indemnifying the Marple Newtown Joint Recreation Commission, Marple Township, and Newtown Township against liability for personal injury and property damage. Insurance coverage required: \$1,000,000 Public Bodily Injury Liability (\$5,000,000 for carnivals) and \$50,000 Property Damage Liability. Current policies must be renewed or replaced at term.
4. A complete League/Team Roster must be included with the application. Roster must include current season team member names, addresses and telephone numbers, and must be received at least two weeks prior to the effective date of the permit. Incomplete rosters will be cause to reject an application. Please use the attached roster sheet (which can be copied) or a facsimile that includes said information.
5. Residency Requirement: A minimum of 80% of the group (team, league, club, etc.) must be permanent residents of Marple or Newtown Townships. Local businesses will be treated as residents; however, all team members must be employed or work within the Marple Newtown boundaries. Spot checks may be made of all rosters. Names unable to be verified as residents will be required to forward legal proof of residency (current driver's license, current bill, etc.) to the recreation office. Groups unable to meet the residency requirement will be rejected and their permits will be revoked.
6. Be flexible in your selection of desired areas. Giving alternate sites or days will assist us in assigning you a field. We do reserve the right to assign you to any site within the system. However, every effort will be made to meet your first-choice request. Realistically, fields must be shared and not every first choice can be met.
7. Deadline: The deadline for submitting applications is February 18, 2022. Applications received after the deadline will be considered on an availability basis only. Assignments will be made on the basis of site availability, type of use, past use history, and other criteria deemed in the best interest of the community.
8. Drinking alcoholic beverages on public property is prohibited! Failure to comply may result in fines, arrest, and revocation of permits.

9. The selling of any items on public property is prohibited. Exception: Organizations having valid sales permits issued by the appropriate municipality.
10. The organization for which public grounds and facilities are assigned shall be responsible for the care of those grounds and the safety of all persons involved in their programs. Thoroughly clean field and spectator area after each use. Please pick up all trash and place in supplied trash containers.
11. During inclement weather, please refrain entirely from using Township fields. As you know, playing on a rain soaked or muddy field not only is dangerous but will tear up the field making it less desirable for everyone to use. Please use sound judgment in these situations. Groups found continuously playing on a rain soaked or muddy field will be charged a field restoration fee and their permit could be revoked.
12. Permits must be on site and available for review by Police, Township and Recreation Administration. The organization receiving the permit must be on the field (not two visiting teams) or permit will be revoked. Organizations found using Township property without valid permits will be subject to fines and removal.
13. The Marple Newtown Joint Recreation Commission reserves the right to pre-empt all field and facility users for Township Events, Marple Newtown School District Events, and activities of the Recreation Department. First priority for Field Use will be given to Marple Township and/or Newtown Township residents.
14. No temporary or permanent fixtures (lights, storage containers, etc.) are permitted to be erected without approval from the appropriate municipality. All Township codes must be followed.

NOTE: For information and/or questions regarding these policies and directions, please call 610-353-2326.
